

## INVITATION

University of Life Sciences "King Mihai I" from Timișoara, invites you on

**15-16 May 2025**

to celebrate together 80 years of university establishment and activity of research - development - innovation in the multidisciplinary field of life sciences, within:

The conference covers a wide range of topics in life sciences (agriculture, biology, plant protection, environmental engineering, geomatics, agricultural machinery, horticulture, forestry, landscaping, plant biotechnology, veterinary medicine, agro-food processing, agricultural management, marketing and consultancy, economics and rural development, agricultural finance, accounting and legislation, tourism, animal husbandry) aiming at creating an incentive framework for presenting the latest research results, innovative ideas and concepts and, for interaction or exchange of experiences between the participants.

Participants registered at the conference may publish presentations containing original contributions, by choice in one of the following journals:

**Advanced Research of Life Sciences Journal**

(<https://content.sciendo.com/view/journals/arls/arls-overview.xml?language=en>)

or in one of the sections journals indexed in international databases.

**On Behalf of the organizing committee,  
we cordially invite all of you to participate!**

Rector,  
**Prof.dr. Cosmin Alin POPESCU**

Vice-rector,  
**Prof. dr. Kalman IMRE**

The International Multidisciplinary Conference on Sustainable Development, to be held from 15 - 16 MAY 2025, brings together experts and researchers from over 25 countries and promotes the exchange of ideas and innovative experiences in the multidisciplinary field of life sciences.

Participants will have the opportunity to present short presentations and posters on their work and discuss their research in a relaxed, multidisciplinary and scientific environment. We also offer key-note lectures by internationally recognized scientists working in areas connected to the conference sections:

## AGRICULTURE

**Trends in european agriculture development**

[www.rjas.ro](http://www.rjas.ro)

### TOPICS:

Agriculture, environmental engineering, geomatics, biology, plant protection, agricultural machinery.

## ENGINEERING AND APPLIED TECHNOLOGIES

**Key Research in Horticulture, Landscaping, Forestry and Plant Biotechnology**  
**Special event: 35 Years of Horticultural Higher Education and Research in Timisoara**

<https://jhfb.ro/index.php/jhfb>

### TOPICS:

Horticulture, Landscaping, Forestry, Plant Biotechnology

## VETERINARY MEDICINE

**Global challenges and solutions for animal and public health in One Health context**

[www.rjvs.ro](http://www.rjvs.ro)

## MANAGEMENT AND RURAL TOURISM

**Management of sustainable rural development**

<https://www.lsma.ro/index.php/lsma>

### TOPICS:

Agricultural management, marketing and consultancy  
Economics and rural development  
Agricultural finance, accounting and legislation  
Tourism

## FOOD ENGINEERING

**Food Chemistry, Engineering & Technology**

[www.journal-of-agroalimentary.ro](http://www.journal-of-agroalimentary.ro)

## BIOENGINEERING OF ANIMAL RESOURCES

**Biotechnology and Animal Science**

[https://www.spasb.ro/index.php/public\\_html](https://www.spasb.ro/index.php/public_html)

The registration of the papers is done online, on the conference sections website ([www.arls.ro](http://www.arls.ro)) according to the calendar:

ABSTRACT SUBMISSION

**06.04.2025**

PAPERS IN EXTENSO

**27.04.2025**

LAST DAY FOR FEE PAYMENT

**04.05.2025**

The format of the papers must follow the format of the journal chosen for publication (see section`s link).

Conference participation fee, which includes Conference Certificate and publication of the paper : **350 lei ( 70 euro)**.
